

STATE OF MISSOURI
DEPARTMENT OF NATURAL RESOURCES
HAZARDOUS WASTE PROGRAM

Click on the hot button below to link to the Envirofacts webpage. Envirofacts is a single point of access to select U.S. EPA environmental data. The website provides access to several EPA databases to provide you with information about environmental activities that may affect air, water, and land anywhere in the United States. With Envirofacts, you can learn more about these environmental activities in your area or you can generate maps of environmental information.

[EPA ENVIROFACTS](#)

If you are interested in information about a particular facility you can click on the button in the facility information section and go directly to the Envirofacts information on that specific facility.
